Miss Sylver-nale went to the Hartford Hospital, where an operation for the removal of nearly half of her tongue was performed Sunday. The young woman is expected to recover, but there will always be an impediment in her speech.

Triumphs of Modern Surgery. Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed en-tirely; bones are spliced; pipes take the place of diseased sections of veins; anti-

and take out a license for the same from the auditor. After the 16th of June all persons owning or harboring dogs without the required license can be fined (as the laws on the subject require) \$5 for every dog so owned or harbored.

Complaint has been frequently made that many persons fail to take out their license, and that others pay on one or two dogs when owning and harboring more, or who send such dogs away during the summer months and bring them back in the fall.

Attention has been called to this evasion of the law, and the policemen will report all such cases, and fines will be imposed upon those who fail to take out licenses after trial in the Police Court.

The police officers will be required to report all violations of this law.

In order to avoid any mistakes persons who make application for licenses would do well to write their names and number of residence, street, &c., on a card or paper when making application for their licenses to the auditor.
